

Environmental Policy

Mi Metals, Inc is a nationwide leader in Aluminum Extrusion of Standard and/or Custom Aluminum Shapes with either Mill, Anodized Finishes, or Wet Solvent Paint Finishes.

At MI Metals, we recognize the urgent need to protect and preserve our environment for current and future generations. We are committed to being responsible stewards of the environment and to integrating sustainable practices into all aspects of our operations. This environmental policy outlines our commitment to reducing our environmental impact, conserving natural resources, and promoting environmental sustainability including prevention of pollution.

Compliance with legislation is the minimum standard to which Mi Metals Inc. shall adhere. The objectives for Mi Metals Inc. under this policy are to:

- Electricity
- Natural Gas
- Painting of Extrusion
- Painting System Hazardous Waste

This environmental policy reflects our commitment to protecting the environment and operating in an environmentally responsible manner. We will strive to lead by example, constantly seeking ways to continually improve our environmental management system to enhance environmental performance and minimize our ecological footprint. By integrating sustainable practices into our business operations, we aim to create a positive impact on the environment, contribute to the well-being of communities, and inspire others to join us in building a more sustainable future.

This Environmental Policy will be maintained and communicated within the organization and be available to interested parties.
